2017 — HCR 4. Relating to disapproving the recommendations of the Missouri Citizens' Commission on Compensation for Elected Officials.

WHEREAS, Article XIII, Section 3 of the Missouri Constitution charges the Missouri Citizens' Commission on Compensation for Elected Officials with setting the amounts of compensation paid to statewide elected officials, legislators, and judges; and

WHEREAS, the Constitution provides the Commission with a four-month window prior to its constitutional deadline for making salary recommendations to hold public hearings around the state to gather testimony related to salaries for affected state officials and to carefully consider whether pay increases are warranted; and

WHEREAS, the Missouri Citizens' Commission on Compensation for Elected Officials has recommended that the compensation for statewide elected officials be increased by eight percent over fiscal years 2018 and 2019, representing a total additional cost to the state of Missouri for the recommended salary adjustments of \$54,884 in 2018 to \$57,023 in 2019; and

WHEREAS, the Missouri Citizens' Commission on Compensation for Elected Officials has also recommended that the compensation for members of the General Assembly be increased by two and one-half percent for the next two years, representing a total additional cost to the state of Missouri for the recommended salary adjustments of \$176,881 in 2018 to \$181,303 in 2019; and

WHEREAS, the Missouri Citizens' Commission on Compensation for Elected Officials recommended that daily expense compensation for members of the General Assembly be \$150 per day of service; and

WHEREAS, the Missouri Citizens' Commission on Compensation for Elected Officials recommended the salary for judges to continue to be calculated under the formula currently in place over fiscal years 2018 and 2019; and

WHEREAS, the state has many other priorities for appropriating money in the budget that are far more important than the salary increases recommended by the commission; and

WHEREAS, the Commission's recommendations shall take effect unless disapproved by the General Assembly through a concurrent resolution process passed by two-thirds majorities in each legislative chamber before February 1, 2017:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives of the Ninety-ninth General Assembly, First Regular Session, the Senate concurring therein, hereby disapprove the recommendations of the Missouri Citizens' Commission on Compensation for Elected Officials contained in its report of December 2016; and
